City, COTA Launch SmartRide New Albany Transit Program

SmartRide New Albany, a partnership between the city and COTA, is attracting both New Albany International Business Park employees and residents seeking a less expensive, hassle-free way to commute while providing a greener transit alternative to reduce traffic congestion.

SmartRide New Albany features COTA Line 40 running between Columbus and New Albany weekdays with free shuttle service from the bus stop to and from businesses in the park. COTA also added Line 39, a weekday commuter service between New Albany and downtown Columbus.

Restaurants, The Heit Center, More Slated to Open at Market Square

New Albany Market Square, the city's pedestrian-friendly village center, continues to increase amenities for residents, employees and visitors with new restaurants, a health, wellness and community center and professional services opening soon. Mellow Mushroom will offer stone-baked pizzas in November. Joining shortly after will be Cameron Mitchell's latest culinary creation, Hudson 29, as well as PNC Wealth Management, Maple Orthodontics and Cooke & Demers, attorneys at law. Phase one of the Philip Heit Center for Healthy New Albany opens later this year.
